

REGISTRATION REFUND POLICY

Refund requests must be submitted via the refund request form available on our registration web page @ www.langleyminorhockey.ca.

Any refund cheques will be mailed to the home address as indicated in the players Hockey Canada Registry, the new address submitted on the Refund Request Form, or refunded to the credit card that the initial payment was processed with. If paid by e-transfer, the refund will be provided by cheque.

LMHA will refund 100% of the registration fee for a U15, U18 or U21 player who was properly registered with LMHA but makes the final roster of a Major, Minor or Junior team. In order to receive a refund under this provision, the request must be via the Refund Request Form, supported by appropriate evidence (e.g., letter from team). Please note, "A" evaluation fees are non-refundable once the evaluations have commenced.

A refund will not be processed or provided for any player who is currently expelled and/or suspended from playing hockey.
