

REGISTRATION DEADLINE POLICY

This policy has been created to clearly outline dates and deadlines for LMHA Registration in order to maintain consistency season-over-season and fairness to all players. LMHA may send out date reminders; however, families are responsible to ensure their players are registered on or before any deadlines, as outlined in this policy.

Current registration information is available through the website at www.langleyminorhockey.ca throughout the registration period. Families are responsible for reading all registration information provided. Failure to do so may result in a player's registration not being accepted or that player not being eligible to participate in rep tryouts.

RETURNING PLAYERS

Registration for returning LMHA players will be open from May 15th to June 30th. June 30th (midnight) will be the "early bird" registration deadline for both "A" and "C" hockey, including registration for rep-tryouts.

Any registrations after this date will include a late registration fee as follows:

- Registration for "C" hockey will include a \$150 late registration fee.
- Registration for "A" hockey will include a \$150 late registration fee.

Registration will NOT be accepted for "A" hockey / rep-tryouts after August 1st.

* Please note that by failing to register prior to June 30th, returning players are NOT guaranteed a spot on any team as registration will be on a first come, first served basis until a division is full. You may be placed on a wait list. It is therefore important that you register early.

* These deadlines and late fees are applicable to those trying out for Junior and Major Midget teams. Players must be fully registered with LMHA, on or before the deadline, to ensure a spot on an LMHA Midget team should they return. Players

that earn a spot on a Junior or Major Midget team, please refer to the Refund Policy.

*These dates and fees are not applicable to the LMHA Juvenile Division.

NEW AND TRANSFERRING PLAYERS

Registration for new and transferring players will open on July 1st and remain open until a division is full. There are no late fees applied to new and transferring players.

PROOF OF RESIDENCY

Proof of Residency may be required for any given season to ensure that you are eligible to play within LMHA (refer to PCAHA boundaries). Should you be required to submit, all documentation must be received by the LMHA Registrar before September 1st to ensure that players are eligible to skate. Any delays in submitting the requested information will result in a loss of ice time, including not being able to skate in rep-tryouts and/or "C" evaluation skates.

REGISTRATION FEES

Registration Fees (*including any applicable late fees*) are due to LMHA on or before September 1st to be eligible to skate. Any delays in payment could result in lost ice time for players, including not being able to skate in rep-tryouts and/or "C" evaluation skates. Note - if you have made payment arrangements with our Registrar prior to September 1st, players will be eligible to skate.

**Please refer to our Refund Policy for any refund inquiries.*
