

REGISTRATION PAYMENT GUIDELINES

These guidelines applies to ALL Langley Minor Hockey player registrations for any given season.

LMHA player registration will not be considered complete until your payment is received.

If you have any questions with respect to registration and/or registration payments, please contact the [LMHA Registrar](#) for assistance.

Registration Fees:

- All player registration fees, including rep tryout fees, are due and payable at the time of registration.
- LMHA will accept post-dated payment plans up until August 15 for any given season. To apply for a payment plan, please submit your application via the registration page on the LMHA website. Additional fees for this option are applicable and the final payment must be made by August 15. When completing your online registration, please select the cheque option when applying for the payment plan. You are still eligible to pay by credit card once your application is submitted and approved.
- Any registration fees not paid as of August 15 will be subject to a \$25 late payment fee and may jeopardize your participation in Rep Tryouts.
- Any fees that remain unpaid as of September 15 will be subject to a further \$25 late payment fee and ice times may not be allocated until all fees have been paid-in-full.
- The only exception to any of these deadlines would be where an alternate arrangement has been approved by the Treasurer, VP Administration and Registrar.

** Any late payment fees are over and above any late registration fees.
Please refer to the Registration Deadline Policy for details.

A dis-honoured payment will be subject to an immediate \$35.00 service charge per incident. Failure to resolve a payment issue immediately could result in the player's registration being suspended and has the potential of that player not being provided any ice times and/or selected to a team.

Payment Options:

- If you pay by credit card, that payment is processed at the time of your online registration.
- If you pay by cheque or money order, once your online registration is complete, print a copy of the receipt/invoice and include this with your payment. Please include your players' name on your cheque. You can submit your payment one of the following ways:
