

REGISTRATION REFUND POLICY

Refund requests must be submitted via the refund request form available from the LMHA Registrar.

The refund cheque will be mailed to the home address as indicated in the Hockey Canada Registry, the new address submitted on the refund request form, or refunded to the credit card that the initial payment was processed with.

LMHA will refund 100% of the registration fee for a Bantam, Midget or Juvenile player who was properly registered and makes the final roster of a Major/Minor or Junior team. In order to receive a refund under this provision, the request must be made in writing to the Registrar and the request must be supported by appropriate evidence (i.e. letter from team).

A refund **will not** be processed or provided for any player who is currently expelled and/or suspended from playing hockey.
