

TEAM SPONSORSHIP GUIDELINES

As a minor hockey organization, LMHA encourages all teams to look for local sponsorship to help make hockey more affordable for everyone. Please ensure that you respect the following guidelines.

- Teams may solicit sponsorship.
- The total amount of sponsorships cannot be greater than the team budget. An LMHA team cannot make a profit at the end of the season.
- LMHA does not have charitable status so does not provide receipts. The team should provide a receipt of funds to the sponsor.
- The team can provide name bars (not shoulder patches) or other items of appreciation, as appropriate.
- The name bar must be sewn on the bottom back of the jersey, centered under the number. It is best to loosely hand sew the name bars so that they are easily removed at the end of the season. If the jersey does get damaged the parent/player will lose their jersey deposit.
