Check-in Protocols for Goalie Skills and Combine

- All players are required to arrive dressed in their gear providing they can ensure safe transportation of their player with respect to ICBC regulations.
- **Parents and Players are required to wear masks** while checking in, standing in line to enter the arena, and while getting ready in the dressing room. (This means that players must keep their mask on until they put on their helmet and then put their mask back on after they take off their helmet).
- One Parent and/or Player will approach the **check-in desk** (in the parking lot across from the SPX entrance).
- Health Check Forms (online Self-Assessment Form sent by your Division) are required to be completed prior to arriving at the arena.
- Parents and players will stand on the identified social distance marks to ensure safe distancing.
- After check-in, **players will line up against the wall** on the social distance marks on the ground until allowed into the arena.
- Players must only sit in the socially distanced and marked areas in the dressing rooms.
- Parents will not **congregate** around the check-in area; the players line up or the entrance to Sportsplex.
- **Parents are NOT allowed in the arena**. Parent Volunteers will be identified with an LMHA lanyard
- Player/Goalie Exit for Goalie Skills and Combine will be thru the doors on **Rink One by the Yoga Studio**.
